Coastal Connections Welcomes Special Guest to Networking Hour

SHEBOYGAN, WIS. – March 2, 2010 – Coastal Connections, Young Professionals Network (YPN) of Sheboygan County, is making sure all young pros have a chance to meet and network *every month*—whether it's a stop at popular happy-hour establishment or a casual conversation at a comfy coffee shop.

This month we'll be at The Green Room Pub, which has become well known over the past few years for featuring countless original musicians. This casual atmosphere is perfect for networking with fellow young pros who live or work in Sheboygan County as well as to meet our special guest: Jerry Jones. Jerry is the Vice President of the Wealth Assets Group of Johnson Bank. So come grab a beverage and enjoy a night out on Thursday, March 11, 5:30-7:30 pm.

"In 2010, we want to provide young professionals with not only a cool place to meet but networking *with benefits*," said Kari Cox, president of Coastal Connections. "A chance to meet and pick the brain of a successful business leader is one of those benefits. After all, it's 'who you know,' right?"

For a list of upcoming networking hours including updates on special guests, as well as bimonthly Power Lunches and other events, visit the online calendar of events on CoastalConnectionsYPN.com.

Membership is limited to those ages 21 to 40, but professionals of any age are welcome to attend any Coastal Connections events. Networking Hours are reserved for those 21 and older.

*Coastal Connections YPN, a committee of the Sheboygan County Chamber of Commerce, is dedicated to connecting young professionals through educational and social events in an effort to help local businesses retain their young talent and to grow the economic future of Sheboygan County.
